Alan/Jenny--

Thanks for your quick turn around on the RtC. I know you're both still looking into a few things and hope to have things finalized by later today. I just wanted to share the latest version and what's left to do. Remaining "to do" items are still highlighted in yellow. Green highlights denotes new text that has been added for managers/legal review:

pg. 5&7: Update responses related to funding when we have that sorted out. We'll likely leave that for managers.

pg. 27: Jenny or Alan

pg. 28: Jenny

pg. 29: Alan

pg. 31: Alan

pg. 35: Alan

pg. 46: Alan or Jenny

I think our plan was to send a "final" version of the RtC and decision doc to managers and legal for one last look tomorrow so any additional updates anyone can send along to either doc by our Tech Team call tomorrow, that would be much appreciated so I can incorporate and clean up. If there are still any issues lingering, I can just flag those since we'll have a chance to make final edits as it moves through clearance.

Thanks guys for all your hard work on this.

Allison
